

Life in Prilep

Let's check the Prilep
life as basically

Actually we can say easily that there are 2 kind of life in Prilep.

- Night life
- Daily life

In daily life; there are usually older and people working. and also its pretty tranquil and quiet.it is so calm that you can even get tired of that calm.

Night life; nightlife is also very active according to the daily life.Many people are outside, in restaurants, cafes and clubs. (especially Saturday night)A young people that live in city, they go out to get a good time.

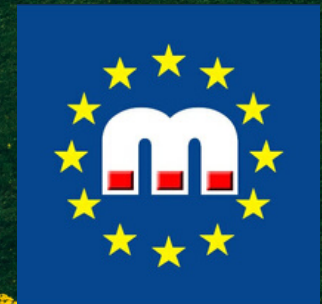

If we talking about Prilep, we must tell about beer and tobacco too.
Because Prilep capital of tobacco/beer in Balkans countries. There are
tobacco and beer company in Prilep.

It's known that so much, there is organised beer festival every year.(pivo
fest)

Also, there are so many companies in Prilep.(food,coffee chocolate etc.)
Although there are aproxtemently 80.000 people live there, the business
volume is too big.
